Such an increase will be offered by seniority at the work site subject to the availability of the Education Assistant or Child and Youth Care Worker at the time of the increase. This increase will be the result of either a new student being identified in a special education category (Ministry of Education) or by the increased needs of a current student or students. The District Principal of Student Support Services

will be responsible for identifying the need for the increase and for the implementation of the increase.

Prior to an increase in hours being offered to a less senior employee at the site as a result of the unavailability of a senior employee at the site, the employer will notify the union.

- (2) Any position, other than an existing Education Assistant or Child and Youth Care Worker position, may be increased during the school year (July 1 - June 30) by up to five (5) hours per week without being subject to challenge. - (e) Where an Education Assistant believes the student relationship is proving unsatisfactory the Education Assistant will bring the matter forward, in writing, to the Principal with a copy of the submission sent to the union. Where the Education Assistant and the Principal are not able to reach agreement about the matter and resolution to address the situation, the matter will be referred

by either party to the Director of Human Resources who will convene steps 16.15 (b) to (d) for a further review.

16.16 Transfer of District Education Assistants

It is agreed that, whenever possible, a District Education Assistant will be provided with five (5) working days' notice prior to being transferred to another school in the district.

Further, it is agreed that, should the district believe it is necessary to implement the transfer of a District Education Assistant without providing the noted five (5) working days' notice, the Union will be consulted and provided with the reasons.

16.17 Bus Drivers

If a route is decreased by more than one-half hour per day, the Board will assign the driver additional duties within the Transportation Department that is not the work of other bargaining unit members to cover the pay decrease in excess of one-half (1/2) hour per day. Drivers will not be considered to be laid off for the period from the last school day in June, including the last administrative day, until the new school year's routes are listed and selected as described below.

- (4) Drivers who have indicated a preference for a field trip will rotate to the bottom of the rotation board after the trip has been completed.
- (5) If no regular driver initials a preference for a field trip, that trip will be assigned to the most senior driver who is willing or able to do the trip within the time limits of their regular schedule. These assigned field trips will not affect the driver's position on the rotation board. If no regular driver is able to do a field trip, it will be assigned to a spare driver.
- (6) Drivers taking trips that overlap their regular run hours must give up their regular run for the entire day, and a spare will be assigned on a rotational basis to drive the regular route.
- (7) Trip cards that have been initialized or assigned will be closed on the afternoon of the working day before the trip is to commence. The trip cards will then be moved to the closed trip board.
- (8) Field trip closing times will be before the return of the first bus in the afternoon.
- (9) When a regular employee from another classification posts into a Temporary Bus Driver vacancy after the end of September or when a spare employee posts into a Temporary Bus Driver vacancy, the employee shall have their name included on the rotation board in the lowest position at the start of their assignment. At the conclusion of the temporary vacancy, the employee's name will be withdrawn from

whatever position it occupies on the rotation board and all other drivers will move up the rotation board accordingly.

If district busses or drivers are not available alternate arrangements may be made. Trips may be by charter coach where cost, comfort and storage are a concern, on trips where students are to be transported by bus outside a two hundred (200) kilometer radius of the Transportation Yard.
- (14) The Transportation Manager, with the agreement of the Union's designated representative, will establish predetermined rates for trip destinations to Mount Washington, Victoria, and as they might arise, some extended trips. RE: Job Shadowing

DEFINITION:

Job Shadowing is when a regular, probationary or spare employee requests and receives permission to "work beside" a regular school district employee as the employee performs their job.

PURPOSE:

The Union and the Board agree that an employee may have the opportunity to job shadow an employee in another job classification for which the employee does not have the required work experience. The employee must already possess all other qualifications. This opportunity will be based on the following regulations:

REGULATIONS:

- (1) Requests for job shadowing must be approved in advance by the Secretary-Treasurer, the CUPE Executive, the employee in the position, and the supervisor.
- (2) The employee being shadowed and the respective Department/School shall be given the option to refuse the job shadowing.
- (3) The employee being shadowed must be present at all times during the job shadowing.
- (4) The experience requirement of the individual job descriptions must be met. The parties shall agree in advance of any shadowing assignment on the length of the job shadowing assignment and how any time spent by the employee who is job shadowing shall be counted as experience to meet the experience requirement of the job classification being shadowed.
- (5) Any job shadowing agreement shall be non-grievable and non-arbitrable. Appeals may be heard by the Board in accordance with Board Bylaw No. 15, Appeals.
- (6) The job shadowing will take place during the requesting employee's spare time. There will be no remuneration for the time spent job shadowing.
- (7) An employee who has completed an experience qualification through job shadowing to meet the qualifications of a specific job description, may use their seniority to apply for a posting for which they are now qualified.

- (8) An employee may not bump a junior employee if they achieved the experience qualification for that employee's position through job shadowing until they have successfully posted into that classification.

Assignment of Education Assistants / Child & Youth Care Workers Who Work with Special Education Students with Exceptional Needs (Medically Fragile)

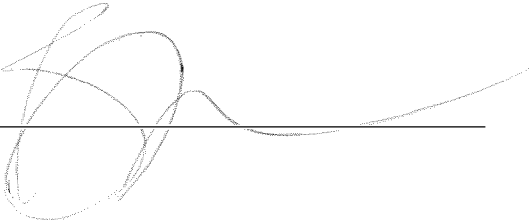

With reference to 16.13 (Joint Education Assistant / Child and Youth Care Worker Posting Committee), the parties mutually agree that the following process will be used for the assignment of Education Assistants / Child & Youth Care Workers to work with special education students with exceptional needs (medically fragile):

- (1) The posting for the vacancy will include any special requirements that have been mutually agreed to by the Joint Education Assistant / Child and Youth Care Worker Posting Committee.
- (2) As soon as possible after the posting closes, qualified applicants will be invited to an orientation meeting. The Case Manager may be present during the orientation. A Union representative will be present during this orientation to the position. At the orientation meeting(s), the District Principal Student Support Services and the principal of the school will describe the assignment in detail to the applicant(s). Topics covered will include the focal student's special conditions and what the successful applicant will be expected to do in this position. The District Principal Student Support Services will provide the Union with an outline, in advance, of the orientation. Conditions of acceptance (8) will also be communicated.
- (3) Applicants who remain interested in the position will then be interviewed by the District Principal Student Support Services and the principal of the school. The purpose of the interview will be to determine which applicants meet the additional requirements. The Union representative will be provided with the interview questions in advance and will be present during the interviews. The interview may directly follow the orientation.
- (4) The selected applicant will be given an opportunity to observe the student for one day. The successful applicant will then be asked if they are willing to commit to this position for the remainder of the school year. If the successful applicant makes the commitment, they will then be given the training outlined in (6) below.
- (5) If the first selected applicant is not willing to accept the position, the applicant selected next in the interview process will be contacted and will follow Step (4) above. This will be repeated if necessary.
- (6) The selected applicant will then be provided with any appropriate training that the district deems necessary to meet the needs of the student.

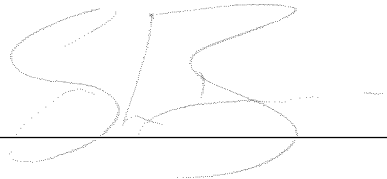

- (7) The selected applicant must successfully complete the training period. The successful completion must be mutually confirmed by the principal of the school, the District Principal Student Support Services, and the applicant.
- (8) The selected applicant must make a commitment to this position for the duration of the school year (therefore not eligible to apply for other postings). Subsequent to confirmation of the successful training period, and the applicant's commitment to the position, the selected applicant will be appointed to the position.
- (9) The successful applicant will annually reaffirm their commitment to this position for each school year prior to the Spring Education Assistant / Child & Youth Care Worker Staffing process. The Employer will, as a result of the employee's commitment, commit to the hours and position for each school year.
- (10) Senior employees will only be eligible to bump an Education Assistant/ Child & Youth Care Worker who works with special education students with exceptional needs (medically fragile) under the following conditions:
 - (a) Prior to the annual Spring Education Assistant / Child & Youth Care Worker Staffing Reorganization, a posting will be distributed requesting expressions of interest in this position. The purpose of this expression of interest is to evaluate the senior employees' qualifications in the event they have the opportunity to exercise their bumping rights and may wish to bump the incumbent Education Assistant / Child & Youth Care Worker. The evaluation of qualifications will be conducted in accordance with (2) and (3).
 - (b) A list of potentially qualified Education Assistant / Child & Youth Care Workers will be formed following the interviews.
 - (c) During the Education Assistant / Child & Youth Care Worker Staffing Reorganization, the most senior, potentially qualified Education Assistant / Child & Youth Care Worker who is eligible to exercise bumping rights, and who indicates that their first choice is to bump the incumbent Education Assistant / Child & Youth Care Worker, will be appointed to that position pending mutual confirmation of a successful training period as outlined in (6). The training period will take place in September.
 - (d) If the appointment is mutually confirmed, the successful Education Assistant / Child & Youth Care Worker must make the commitments outlined in (8) and (9).
 - (e) If the appointment is not mutually confirmed as outlined in (7), the Education Assistant / Child & Youth Care Worker will be eligible to apply for other postings, but will not be eligible to exercise bumping rights.
 - (f) If the appointment is not mutually confirmed, the previous incumbent Education Assistant / Child & Youth Care Worker will be given the opportunity to return to the position.

The ultimate authority and responsibility for Education Assistant staffing remains with the employer. Staffing is determined in consultation with human resources, student learning supports and the school-based principal.

For the purpose of this pilot posting process, for clarity and understanding, the definitions below are used:

Assignment:

The location and hours an Education Assistant posts into as per Article 16.

Appointment:

 - ii. Prior to the end of June, the District will publish available assignments, inclusive of hours and location, for the upcoming school year and assignments will be filled with the successful candidates pursuant to Article 16.1.
 - iii. Once an assignment is filled under 2.b.ii, and the appointment has been made (Article 16.3), the assignment will be the Education Assistant's assignment for the school year unless the employee posts out to a continuing position or is transferred to another site under a provision of the Collective Agreement.
 - iv. Continuing Education Assistants who do not have an assignment by June 30 for the upcoming school year will be placed on the preferred spare list (Article 17.3) and temporary or spare Education Assistants will be placed on the spare list (Article 9.1).
 - v. Annually, within the first two weeks of September, Education Assistants with assignments will have the option to complete an Education Assistant Preference Form. The Education Assistant Preference Form and Seniority will be initial considerations in determining the Education Assistant's work schedules.
- c) Fall Education Assistant Staffing Process
- i. Vacancies arising after school start up and during the school year, will be posted.
 - ii. Notifications of such vacancies will be made pursuant to Article 16.2.
 - iii. Vacancies during the school year will be filled pursuant to Article 16.1.
 - iv. Temporary vacancies posted after school start up that are 25 hours per week or more will be subject to challenge and include those covered under Article 2.b.iii.
 - v. Any hours added to a confirmed assignment will be subject to challenge at that site.

Notwithstanding Article 16.13.a, the parties agree that this LoU removes the requirement of a spring and fall posting committee meeting, once the process is in place. Should concerns arise with the administration or application of this Letter of Understanding, the parties will meet as soon as mutually agreeable.

The parties agree to meet at the end of October each year to review the percentages achieved and to review the Education Assistant Staffing Pilot Process.

APPENDIX A

Provincial Framework Agreement (“Framework”)

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.

- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.

2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
